About This Collection

Welcome to BootyDoo, where BootyDox's wildest comic fantasies come alive. From a Backyard Blunder to Christmas Vengeance, and a Foxy-Birthday-Service that turns any celebration into a gay-comics feast, these 2boys find themselves in The Blackmail, Mommys NNN, and The Wand 18+. Forget the rulebook—here Rule34 reigns, and if it exists, expect explicit animated heat. Dipper and Mabel, Steven Universe gems, even Rebecca Parham's creations—all get the bootydox treatment. View the full gallery via the link above.
