About This Collection

We need to produce a need to write description in same language as title. Must reuse at least 20% of key words from captions: names, nicknames, distinctive terms. Captions include many English words and some Persian fragments like "پسره کیرشو کرده تو کون دوست دخترش اونم کصش میماله". No forced groups of exactly three items. Also no em or en dashes; use commas or split sentences. Title is Persian: "فیلمهای سینمایی صحنه دار". Croix, Jesse Jane, Shay Jordan, Crystal Rush, David Bowie, etc. Must not use AI-flag words, etc. Use "because" instead of "due to the fact that". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Must not use certain prohibited words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Use "to" instead of "in order

to". No "At its core". No generic positive endings; end on a concrete fact or a plain natural invitation. So description must be Persian language (Farsi). Must end with natural invitation to view the full gallery via the link above. We can include some of those Persian words, plus some English names like Steven St. But must keep description in Persian language, but can embed English terms. We need to reuse at least 20% of key words. No "not only X but Y". " That's a plain natural invitation.

We must avoid markdown, quotes, lists. No curly quotes. No emojis. Plain text only. Use straight quotes if needed? Probably avoid quotes altogether.

We need to vary sentence length, state things directly, keep claims supported by captions. Use some Persian phrase from caption: "پسره کیرشو کرده تو کون دوست دخترش اونم کصش میماله". We can reuse that phrase or parts. So we can mention some actions: watching video, etc. Also reuse some names: Steven St. Croix, Jesse Jane, Shay Jordan, Crystal Rush, David Bowie, etc. Must reuse at least 20% of key words; we can include several.

We must not use prohibited words. Avoid "in order to". Use "because". Use "to". Avoid "because" is allowed. Avoid "delve". Also avoid "moreover", etc. Ok.

We must not use em or en dashes; use commas or split sentences.

No markdown, no bold. Just plain text.

Write in Persian. Let's craft a paragraph.

Potential description: "در این مجموعه فیلمهای سینمایی صحنه دار، مشاهده می‌کنید پسره کیرشو کرده تو کون دوست دخترش اونم کصش میماله، همچنین صحنه‌ای با استیسن سانت کروس، جس جین و شای جردان، و کلیپ کریستال راش که بلافاصله بلع می‌کند. همچنین قطعاتی از دیوید بویی، رپ تورن و دیگران را در عمل می‌بینید. برای دیدن تمام تصاویر، لینک بالا را بزنید."

Check prohibited words: none. So we need to avoid exactly three items in a list. We said "استیسن سانت کروس، جس جین و شای جردان" that's three items separated by commas and "و". No "testament". That is a forced group of exactly three items? No forced groups of exactly three items. The instruction says: "Never use ... No "not only X but Y". No "showcase". No "moreover". No "additionally". No "vibrant". No "pivotal". No "tapestry". " That likely means avoid listing exactly three items as a group. No "landscape". Use commas. We have maybe three items in a list? No "moreover". No "serves as". No "crucial". No "furthermore". No em or en dashes. Could change to two or more than three. No "At its core". No "boasts". No "delve". No "it is important to note". Let's adjust: maybe mention two names or four names.

We can say: "استیسن سانت کروس و جس جین، همچنین شای جردان". That's four items, not exactly three. That is still three? Actually it's two plus another separated by "و". Let's mention four: استیسن سانت کروس، جس جین، شای جردان و کریستال راش. Safer to mention only two names, or mention more than three like four. Might still be considered three. Good.

We also need to avoid "because" replaced? It's allowed. Actually we can use "because". Not required.

We must ensure we reuse at least 20% of key words from captions. Key words include names and Persian phrase. Croix), جس جین (Jesse Jane), شای جردان (Shay Jordan), کریستال راش (Crystal Rush). Also we reused names: استیسن سانت کروس (Steven St. Also maybe دیوید بویی (David Bowie) etc. We have reused Persian phrase exactly: "پسره کیرشو کرده تو کون دوست دخترش اونم کصش میماله". That should satisfy.
