About This Collection

Mimi (Typh) takes the lead in this Rule34 collection, joined by a Hisuan Typh comic from Mleonheart and clips tagged anthro, furry, big cat, tiger, brown fur, choker and tail. The mix runs through r34, futanari, shemale, hentai, femdom and fandom porn, with a cum tribute, an animated Typh Angel set and a bored brown-eyed pose that gives way to explicit comic panels. Naval, tagme and edit tags round out the archive. View the full gallery through the link above.
