About This Collection

nonubook brings Yulia, Kyra and Gitta together in a model photo set that moves from a standing SHOER mannequin and sewing-thread still life to beach frames with bathing suits and leggy cheesecake poses. The photos stay direct: models on set, clear poses, a mix of studio props and seaside light. A masquerade make-up look adds a sharper mood, while cotton white dress details and girl outfits keep the styling playful. View the full gallery through the link above.
